

Sherry Goshon * Lolli the Muse of Creativity

Saturday & Sunday #2D4
2 Day Workshop
9am-4 or 4:30pm

**Workshop –Cloth &
Clay/Mixed Media**

**Levels:
BWSS -beginners with sewing
skills and up.**

Pre class work – Yes

**Size approximate 18 inches
Kit Fee \$25.00**

This class can become a personal journey. You can take this class in any direction your imagination goes. Is your design style sweet or whimsical or is it mysterious and dark? Sherry is encouraging her students to personalize their figures. She will guide you through the process of making the doll but she wants you to be into the doll, designing the personal touches that make it uniquely yours.

You will be using some very familiar materials like cloth for the torso, arms and hands. Then you will have a chance to play with some new mixed media products. You will be turning a mask into a full head using paperclay, learn how to create

with shape and volume with Styrofoam, paper, decoupage, plaster cloth. Then Sherry will show you some new methods to enhance your creation using stencils, antique or aging techniques on the figure.

No figure would be complete without facial features. Acrylic paints and watercolor pencils will be used to colorize the faces and to add other highlights.

Supply List is on the next page.

Lolli the Muse of Creativity

Supply list:

Paperclay small package

Plaster cloth or ridge wrap

1 ½” ribbon for ribbon at hat about 1 yard

Crafters glue

Knife to cut Styrofoam

Paint brushes
