

Paula McGee * Needle Sculpting Cloth Doll Hands

Class is Full

**Sunday - #1A1
1/2 Day from 1pm--4:30pm
Workshop - Cloth**

Level: BWSS - Beginner with sewing skills and up

**No sewing machine in class if homework is done
Pre class work – Yes
Kit –0-**

Everything you need to learn about sculpting beautiful hands.

This workshop is complete with the details needed to make life-like hands. Everything will be covered from correct stitching length, how to correct clipping of the seam allowance, gluing and how to turn the fingers. You will learn how to wire and stuff the fingers and hands so they are functional. Then there are the needle sculpting techniques. Have you finished a doll only to have puffy palms? Paula will guide you through hand needle sculpting so the hands look like hands not puffy pillows. The last finishing touches are coloration, shading and drawing nails.

Paula McGee – Cloth Doll Hands Supplies:

Bring your Homework & Materials List:

Fabric for hands - a fat quarter will be more than enough to make your hands
red felt for the heart if you wish stuffing, pin back, white chenille stems, thread and needles
