Beginner: No prior skill except if sewing is required you must be able to operate your sewing machine.

Beginner with Sewing Skills (BWSS): Beginner doll maker and a beginner sewer are two different things. Strong sewing skills, familiar with sewing terms, how to read and work simple patterns

Intermediate: An intermediate student is ready to learn more difficult tasks, special techniques beyond just sculpting and construction. You are homing in on variety of techniques adding to your skill set.

Advanced: Mastering sewing or clay sculpting and construction Ready for more complex techniques.

The main focal point of the class is the creative process. The instructors will challenge you.
