Day Visit \$5.00

All day access to Vendors shopping and Exhibit Hall Pay at door. * Children under 12 free

Exhibits and Vendors * Public Welcome

The art dolls are displayed in a large exhibit hall of AFICC student's and instructor's work. If you can't attend the convention as a student, you should plan to see this gallery of Artistic Figures. The exhibition is open to the public on Saturday and Sunday to enjoy. I believe it is the most impressive exhibits of Artistic Figures in Cloth & Clay in the country. Our hand-picked vendors and artists have an awesome display of their very best products for sale. After viewing the exhibits, take time to browse the shopping venue. This convention is designed to cater to an artist's every whim.

Please to the next page for Application for a Scholarship and Doll Club Exhibit information.

Application for Scholarships—Requests must be in by Jan 30, 2019

Artistic Figures in Cloth & Clay awards participating scholarships. Scholarships are sponsored by the Auctions, these are donated artworks that are auctioned off at the convention. Participation paid by scholarship money is \$270.00. This amount is subtracted off your \$445.00 registration fee. You would still be required to pay your \$75.00 non-refundable deposit when you send in your application for registration. The \$100.00 balance will be due by March 15, 2019. It is our students and teachers that support the funding through the auctions of art work and doll related items. If you have received a scholarship in the past you will be put on a waiting list. Recipients will be chosen by Jan 30, 2019.

Please write us and tell us what this scholarship means to you. Remember to include your name, address and email. Send the request to: Mail to: Cyndy's Dolls, LLC/Scholarship, P.O. Box 44244, Columbus, OH 43204 We also welcome emails, Cyndy@Cyndysdolls.com

Doll Club Exhibit and Information

The Club Exhibit has rules. Everyone wants to be involved. To keep order, but more importantly not to have any missing dolls the rules must be followed. Here is some general information.

1. For a fast doll check-in, have pre-made tent cards made by your club. Upon request I can send you a sheet via email so you can copy it and make cards. Tent cards are for display, write neatly. Pin onto the back of the doll with a straight pin.
2. Please write your clubs name on your registration form. There will be a sign provided by AFICC on the table identifying your Doll club, City and State.
3. We welcome your advertising of your club: You can bring flyers to put on the table about your club. If you have a theme you can present a tent card explaining the theme or challenge. Please make sure the tent card is no larger than 9 x 6 inches and typed or neatly printed.
4. Two people will be allowed to check the club dolls in and out. There is a check-in/out sheet that will be required. If you already have a sheet of paper with the dolls listed 1- 10 etc. This sheet is for the protection and security
5. The check in/out sheets will be stapled to a "Your Check out Card". Every single doll is checked off the list as you pack the dolls up or walk them out the door. You and your partner will sign for these dolls being released. You can meet your club members right outside the exhibit hall if they want to take their dolls home.

Our rules are to keep your work safe. The hall is locked up when staff is not in the room. This exhibit takes us one and a half days to check in and set up. It only takes 30 to 45 minutes to tear down. We take precautions to only have a limited number of people in the exhibit room.

Tell Your Friends That Visitors are Welcome!
If you can't come as a student then come as a Visitor
Let them be part of the experience.
