

Colleen Colquhoun Athens * Belvidere, NJ

Colleen's dollmaking journey is driven by a passion for sculpting in paperclay. She loves sculpting paper clay dolls and embellishing with every kind of Media that she can get her hands on! Colleen uses all vintage fabrics, distressing with stains, creating texture in her art work using fabrics, glue and stiffeners. Colleen has been teaching paper clay dolls for 9 years at different venues including her very own storefront "The artsy Soul." Her art work has been published in Art Doll Quarterly.

Friday #1D4 * 1 Day 9am-4 or 4:30pm

Skill Level – All Levels welcome

Workshop – Paper Clay

Homework: No

Kit fee \$25.00 includes all pre-work

10 inches from Tips of the Ears to toes!

This is a technique class to create a paper clay and cloth Bunny Girl Doll with a faux wind up key. Learn to use paper clay to build up and alter a pre-made face mask and lower arms and legs, then sand and paint these parts. In class you will stuff the pre-made fabric body and assemble the doll. Time permitting you will then Dress and embellish her. Each student will receive an email class tutorial to each student so that they can print it at home and bring to class if they wish. Students have one thing to do; find a Vintage type “Key”! Colleen will do all your pre-work which comes in the kit.

TECHNIQUES TAUGHT:

- *Altering/ creating paperclay doll parts for time sake I will create the basic parts, but the tutorial will bring the student through the basics to create a doll at home.
- *Sanding & painting a smooth paperclay doll using different sanding tools
 - *Using acrylics, pastels and sealers.
 - *Assemble a basic cloth and clay doll.
- *Embellishing with vintage fabrics threads and other doodads.
 - *Distressing fabrics with stains
 - *Piecing and gluing to create texture in fabric

Attic Bunny – Supply list

Everything is included in the kit except for tools:

- *Paint brushes
- * A wooden block with holes drilled
- * Fabric scissors
- *Small wire snip
- *Needle nose plier
- *Small forceps or stuffing fork
- *Needle with heavy thread
- *Favorite color acrylics (optional because Colleen brings her color acrylics to share).
- *Students need to bring their own glues.

Sewing Machine :

Students do not “need” a machine that is optional.
(I’m not a good hand sewer ...so I will bring small machine that people can use if needed)

Homework :

Students have two things to do Find a Vintage type “Key”
Drill holes in Wooden block (Colleen will instruct you on this once you sign up)

Kit fee \$25.00 paid in cash when you receive your kit.
Colleen does all the pre-work!
