

Kristin Morris * Columbus, Ohio
Tea Time in Wonderland

The March Hare

Sunday #1D9
1 Day 9am
4 or 4:30 pm

Skill Level – All Levels welcome
Media – Apoxie Sculpt
Homework- No * Kit fee 15.00

Do you have fond memories of the nervous March Hare from the Alice in Wonderland story book; with his “disheveled” ears and shaggy hair? He has found his way at Alice’s tea party in his very own teacup! Now you have the chance to make your very own beloved March Hare. The ears are sculpted with clay of a tin foil and wire armature.. Make your ears as floppy or rabbit-like as you want. Fur texture makes this Hare come alive. Learn to form the adorable minuscule little nose. Plus learn additional sculpting and painting techniques such as mixing acrylic paint with Apoxie to achieve a base color then learn additional painting techniques and dry brushing.

Techniques Taught in Class:

Learn how to use Apoxie Sculpt—a durable 2-part self-hardening clay.

Constructed over an armature from items such as foam, wire and tin foil.

Create hair/fur textures, learn sculpting techniques
Learn different painting techniques *including dry brushing and washes*

Proper placement of animal facial features, eyes, nose and mouth

Focus on sculpting technique's.

snouts, ears that are floppy or straight

Kristin encourages artistic freedom, have big or small
