**Artistic Figures in Clay  
Bursting with Design, and Color**

Discover a variety of Millefiori techniques to create designs in polymer clay; then sliced. Apply the polymer designs to a teapot or a pitcher of your choice. Bring your own vessel to cover or choose from those provided by Layl. Even if you have never touched polymer clay before you can learn these step by step techniques. It is like magic with color! In the end you will have a vessel which could be even used if you like.

**Go to the next page for the supply list and more pictures.**
