**Workshop – Cloth – 10 inches
Kit fee \$5.00**

Skill Level – All Levels

**Homework: Yes
No need for sewing machine in class if
homework is done**

Sweet Bunny is one of the “Adorable Dollies” offered as a one-day class. Pre-sew at least 2 heads at home because in the morning you will be learning to draw a flat face and make it come alive. Then repeat the process to review the techniques. You will have plenty of time to complete the doll in the afternoon. Suellen will walk you step by step through the face drawing process and you will learn to break a few rules. In the afternoon you will work on simple sculpting and blushing the body, assembling clothes and all. The hair is applied with an easy hand stitched method.
