## ***Supply list for Mixed Media Felted Stump Body***

**As for supply they need to bring to class...** We will be doing a lot of hand sewing, so some favorite needles and thimbles if you use thimbles. Bring any special elements you would like your doll to have (for example you want her to hold a key or a crystal), extra spool of white thread and scissors. If you have special wool colors you can bring those.

Optional: if you have extra felting needles and pads in your current supplies. These will be provided, but it is always good to have extras...just in case
