Homework: No

Kit fee \$25.00 includes all pre-work

Create this adorable Precious Kitten, one of Colleen's creations from her "Lost Soul's Series."

You will be using paper clay to build up and alter pre-made face mask, lower arms and legs. Learn how to sand using different sanding tools; to paint the parts the parts with acrylics, pastels and sealers.

The class will include stuffing the premade fabric body and assemble the doll. If time permits everyone will embellish with vintage fabrics, threads and other doodads.,

Use distressing fabrics with stains and learn piecing and gluing to create texture in fabric. Colleen will do the pre-work on the body parts to save time.

Each student will be emailed a tutorial of the basics to recreate the doll at home. You can print and bring it to class if you wish.

Collen does all your pre-work which comes in the kit.
