All Levels, Beginner to Advanced.

Beginner: These classes are designed to work with basic skills. **Sewing Classes:** You must be able to operate & know how to use your sewing machine. Most classes that require machine sewing the instructors have you sew at home to avoid you traveling with the machine.

Intermediate: Student is ready to learn more difficult tasks, ready to learn special techniques beyond just sculpting and construction. You are homing in on variety of specific techniques that add to your skill set.

Advanced: Students have mastered sewing or clay sculpting, and construction Are you ready for more complex techniques that will enhance your knowledge?
